Redeeming the Time

We all have a limited number of days on this earth and as good stewards of the life God has blessed us with, it's important to use each moment

well. If you want to learn how to better redeem your time, join us for a powerful weekend of teaching with Jeanine Michaels as we look at Ephesians 5:15-16.

We'll escape to the mountains of Woodland Park, CO and spend an entire weekend allowing the Lord to refresh, restore, and redirect us.

We'll look at ways to be more productive and we will learn what it means to live a life that redeems the time we have on this planet.

While there are many demands upon our schedules as women, there's no more important way to live each moment than to spend it cultivating our relationship with our Lord and Savior, Jesus Christ.
